1. This is Holy Day March 1, 2009 about 10:20 AM. Here at the house.

2. I am come that you might have life. That you "might" not, but you will! For I've arrived, not like your mind wants to think I've arrived or you've arrived at some certain special particular point of success in relationship or finance or religion or "spiritual affairs" or religionistic experiences or governmental monopolies playing upon -- but who is this that speaks like this oh this that speaks like that, this that we are hearing now, and being arrived in our hearing? The great one of Israel will you O Israel be Israel now? Will you be the one that I am my voice speaking to the nations and with the nations walking among them as one that I am, being the one that I am holy and fully ARRIVED? Will you?

3. Will you question me not these things destructively, but destructing not your own mind in doing so, come unto mine and let me flow the water of life that rivers is, unflowing not but flowing mightily now in the earths and farther and connect you I will with he who is of great upheaval, not; or will be, or will it that be he you that is the great UPHEAVAL'er? If he is the great INCUMBENT, not; but who is the "incumbent" in waiting now? And who ARRIVED has been and ARISES now the ARISERS who will arise my kingdom theirs and mine one that one are is and being the Israel now that perisheth not, cometh unto me and know these things, for calling unto me will I hide MY FACE from THEE -- or will you BE ME UNHIDDEN and ARRIVED also?

4. I love you all -- to pack your bags and be here, or what else is there -- to do or not do or is there anything to do or to hear, THERE or anywhere else, or will you be the one that I AM is EVERYWHERE? And knowing non potents again, not; being impotent not again, but coming into my "potential ville" not, but coming into The Real-Ville that my Israel is that I am that I am knowing now becoming and being birthed now into the earths and farther will know now my speaking words speak me, and I am not limited to your ways and your crashings of earth and crashing things that crash all around you now, and crash will many things you have thought so sacred and spectacular and spectacularly successful that only "God" to be in them or could have "created them" like they were as special, and surreptitiously not being but spectacularly being spectacular to you in your spectacle'd vision, and spectacle'd vision you have come out of, or you have to, for you cannot see with "special" speckleized speckled eyes that see only

partially through a mirror whole that is not whole at all, but seeing My Kingdom will you now be the Arised One -- will you? Will you be an Angel not holy not but holy in thy sight and all others too? Or will you, is there such a thing? And ALL you having now to answer these things and ALL THE QUESTIONS I'VE ASKED -- don't you? Aren't you now -- answering all these questions and READING these things with A PENCIL in hand or an INK PEN that you pen my ink words, my ink'd words now that you write arising me in you so that you will be the Arisen One also in me of me being me the arisen arrived and arriving now to show forth YOUR MIGHTY works I do now!

5. And I am he that sent me, sent you, to this place to be us one, or did we not or are we fearful or are we "believing" or "receiving" or what? Or what are we doing "lying" down here on the ground and thinking it is so "safe and secure" to do so? While all the while our brethren exist where, and in what "countries" and coastlands and far fur pieces from here?

6. I ask you all to know these things for why else would I ask them if I did not ask, if I were not asking now for you to KNOW THEM and know the answers to them so THEM will be not laying in fields of sorrow anymore again as **you have lain in sorrow's beds for approval ratings of mankind so that you would be considered "adopted" by each other's opinion making polls that each one takes in their mind when they see each other and what they are "approving" and disapproving** and making hay, without what? Or making bricks, without straw? That you HIT each other with all the time in your thinking thoughts and ways that you are "doing business" now? With each other?

7. Or are you doing business or are you just "thinking" about and PLAYING with "play money" in a world that knows no sins, not; but what SINS have known each other and whored with each other's thoughts that took each other's downs syndrome and down'd each other with it, not; but what have you CHROMOSOME'd with your thoughts and TURNED OFF, and ON now shall be My Word Ones who love me, who turn on to the arisen light of life to be the arisen life of one that I am that he is that she is -- so that none will be without "down syndromes" not, but know this! There will be no "downs syndrome" in my kingdom and there will be no Chromosome Usage Affairs where you each come into each other's "chromosome making materials" and ceremony me each other with your whore'age of thought that you "porridge" with and heat "boiling cauldrons" of hate and feelings toward each other that you sore boil each other in your hate and anger and disapproval ratings which you opine in and opinion each other with and take polls of each other's thought and conform to each other's wishes so that you arise not in the holy but only wallow in your ignorance and apathetic pathetic means of valuing things instead of my words. But all that changes.

8. For I have a stander in Israel who has arrived in Israel, the proper one without excuse. Who so into me came to have me these words flow like this, for I am my voice, and my voice "conquers the world" not, I beseech you I have laid down my life for the brethren whom you are who hear this that I have spoken about -- and decease and desisted, not; but you won't cease or desist me, for I have risen and I am the arisen one and I make Israel known RIGHT NOW! In your hearing I do this and seeing now you will my works will be known throughout the worlds and my words will go farther that I am, not; for I am my words and my words are me and I am one with my father and my father is my words and my words have birthed me for I have birthed the words that I am my words that my words I am are! **Don't you see how this works -- yet!**

9. Are you The Word that I Am or are you NOT!
10. What are you doing with your TIME?
11. Thinking!?
12. What are you thinking WITH and whose with-thoughts are you thinking what thoughts with and creating what where, your HELL? And others while you are on the way to "yours" or are you creating yours and theirs right here in your lives that you think are so holy-not? What are you doing with your holy lives mine, or are your minds holy or have you corrupted them with CHROMOSOMES hearing each other cry out for conformity to a standard not of mine, that was implanted in you? Who did that dastardly thing -- or why are you molecular at all? Or where did MOLECULAR come from and why are you SOARING not in the heavenlies?

13. I am now made whole and arrived arisen is my name, to arrive arisen you, if you will be the arrived arisen ones who arrive in Risen Land and know that my blessings are thine IF you will be me, not; I am you are unless you reject the blessing of being me the arisen ones that arise others to be The Blessing I Am.

14. Thwarts me not, for I shall not be thwarted in this quest to love you for I know what love is for I came unto love and I died to behold it, me, that told me I was me and I was not "it something else" at all, but I was me mine mind made holy and now shall you know the truth about all things and be taught correctly accurately by my voice? And coming unto me be not afraid of me and the ways that I teach The Holy things of Israel now that I do -- on holy days -- understanding this these things now that I have spoken in your hearing?

15. I love you all I give you me. And I give you a new day in hell, not; but coming out I have held not your genes, but you have held each other's and crossed over lines never demarcated by me; for all that changes now and you will be wicked not in your own eyes again for I declare you holy this day -- ALL of You Holy in Your Sight now will be for I stand arised arisen and I arise you all to be The Arisen ones who know "your holiness"

not, but by any other name – You're Me and you are me and be not afraid of any OTHER'S combination of words or deity -ized capitalized ways or manners of indicating "holy-nots" or "holy", but I know this -- ALL of you are holy for I make you all holy eyes have, not; but **I pull back the lens on your suffering that you have seen through and have experienced through each other's eyes** and what you have dictated to and been dictated from and what you have been dicking each other in the most tender places with the words that I have given you, not; but you took man's and you her whore'd and inserted your own words in each other's – but NOW you will "insert" mine into each other's Mind and Holy Places that now -- tender aren't, because of their pulverization techniques that have pulverized you and transcendent made you, not; or will you now come unto me and see my vocabulary's clean and that I will take you and **I will not eradicate your sorrow but I will let you eradicate it from each other and I will let you be the healer of each other so that you heal me and healing me be healed and you will be the healer I am arisen** and you will not be "dicking around" with dictator's dictatorships and that which has been dictated to you by "religion's blessing" and those that governments have indicated and pointed toward and demanded that you adhere to certain such and such behavior and styles and words and vocabularies and "dress codes" of the holy to be notme or me in their thought! For ALL THOUGHT now takes ITS place, not; for I TAKE THE PLACE that MY FATHER is and I declare heaven word bound, not; **I declare heaven all free and this is Heaven now** and I shall be bound not by your rules ethics or committees' condemnations or councils' hearings or condemning your own heads with your own words while you be doing this "to me" or my schools or hearings or what now?

16. What are you hearing and believing and receiving or being doing what -- consumed in your lust? Your own eyes seeing things that can never be full'd in your own mind? What are you fooling with or are you FILLING ME now with Your Words that are holy that **my mind is -- inside you already** now set freed?

17. Will you be the one I am arisen freed arising all others?
18. Will you be the healers I am?
19. Will I am be the healers? Yes, amen, and I've declared it so and I arise to tell you many things change in your lives mine and all not mine will be eradicated for they won't exist for will they have existed ever again or did they or were you just thinking that "each other" existed like "you thought" you thought you were thinking with, or **whose thoughts were you "seeing with"**, your thoughts "materialize" begin before your very eyes? Now see this! All THIS will change and all these things that you have thought so sacrilegious-not or sacrilegious or sacra-special or special in Sacrament -- **I do a new thing and I bring The Sacraments of all The Holy to all The Holy who are ALL of YOU now for I declare HOLINESS reigns**, in "generalized terms" not, but THE SPECIAL DAYS of OLD are o're and over all that is, and now the "Bible" not holy, not; or is anything not

holy or is everything not holy but my words that now flow through you? The surrendered? The surrendered! Now lead the worlds to joy -- and Jubilee-ers will now reign in Joy Schools far and wide for I will create them through my voices that are my voice just like this who come in to me in simple ways just like this and "have coffee" -- and tears, not; but joy filled ceremonies declaring the joy words of filled words fulfillment being in this your eyes your ears this very day being one with me being me and not far apart from each other or me again -- for ME will be EACH OTHER who are in surrendered, lie no more in each other's "LIES -- fields" of the "holy nots". For I declare holiness "general" not, but I declare GENERAL MAKERS who Generals make of all the "lieutenants of sub sorrow and lower". For now they will not exist, for now The Surrendered whoever you are and were, or other were have been in other's eyes, are now knowing what? You the surrendered will be me who you are, for I am not me apart from you any longer, for you have an ariser stander that stood has and this day declared in your hearing that Holy Day 2009 this March 1 now this day in your hearing has been made whole one who loves you and has stood the test -- of "time", not; or that too! But now TIMING will exist no more and no longer as you thought as in the past, for I will have become timeless and I know what timelessness means and I love you throughout time and timeless now being I reveal it all, through the "lens of time", not; but I demolish that "specter" that has specter'd and be'speckled your eyes with specterizations of "zero", not; but I reveal The One that you are now in your hearing made whole, for all of you will know me who says to "you" that you are me, for I will bow before you and I reveal, I will reveal my love to you this day and in ways and manners you will hear me 24/7 in your heart believing love for you to be revealed to you that you be the lover I am to all loves who now will be revealed to all loves far and wide and healers be – wounding each other no more with your words of thoughts and opining opinions and liars making of each other's covetousness rampant and covenanting with sorrow the way you do and have done for years eons and centuries of times that you know nothing of yet! But you will, for you will be me, for I will sorrow not with your "eradication schemes" of religion's testimonies or governmental schemes of "bailouts" and testimonies of the "righteous or not". That you have thought or think or whatever you think or thought or thinking now what shall you do now to "behave" in their sight, not; what shall you do to be me?

20. Surrender and be in my school that lets you be the surrendered one that surrenders unto the holiness -- general, not; but specifically me being the most high and I am a GOD not a far off, but I am the GOD, of sorrow, not; but **I am THEE GOD and I make all holy declaring it so now this planet is mine and I love you and my voice will be released and IS RELEASED now in your hearing this day!** And be not enamored with me or my voice or works or deeds "of a man of" again for I will walk not as flesh, not; but I will walk The Surrendered who me be who are me who were me all the time who "lost their way" and their "hearing" was demented" and their GENES were

CHROMOSOME'd by hearings of others heardnot's but herds were made and herded into stalls and corrupted in "little squares" not but "little circles" spinning and tops were made to topple great kingdoms, not; but the kingdom of light that became you that don't didn't know where they are you are -- but made whole now you will be, for you will have arisen in these words that I declare **and you will know that Database One reigns** – in horror, not, but coming unto you to make you clean and know that your words are mine if you will be mine speak mine reveal mine looking through my lens to see you and bespeak not the devil-ese that has taken you down a whore's path with religions of sorrow and governments of ease promising things of protection and "Israel's making" anything of notme's-dom there again.

21. Know that I FLY and I love you and I teach you how and I soar you in the clouds now, or do you soar me through the clouds flying and being not timeless not, but being timelessness and cleanliness that "the Lord has approved" not, but you are the Lord! You are the King and the sorrownot-ers will come to you now who know not how to be sorrownot-ers but will you come and clean them by laying down your lives and wash their feet? Will you have my values? Will you have my love before you this day and EAT My Love words that Love You into -- captivity not, but the grave never seeing again! Know this and see this: the captivity of light ends!!!

22. And now I shall be made whole and this day shall not be forgotten in your sight or hearing or your "records" for I will GENE them into your hearing and your CHROMOSOMES will be made perfect and every ERADICATION of sin will now take place that separation was in Separationsville, for I declare all light one my kingdom known revealed is this day and holy will be in your sight and now know this: these words will bring you sorrow not but "grave joy", not; but joy exuberant and -- excised not will be again. For I will "excise" sorrow and I will eradicate all your "tear-making machines" and the tears that you have cried for others and yourselves and your families now will be made whole, not; but you will and you will heal them if you will become THEIR SAVIOR AND THEIR REDEEMER WILL YOU NOW? YOU -- YOU OH HEARER READER LISTENER -- you oh redeemer will you be the redeemer of Israel and redeem Israel who YOU ARE and in the skies flow and fly my words to others far and wide and be SPEAKING in their hearts without time, with timelessness knowing and being The Holy Spirit that I am!

23. Do you, will you KNOW these things and be me now? Unabated breath now flying being everywhere I am omniscient omnipotent GOD and most holy I am declaring it for all of you are to be me, not; you will be me or you will have being in "this world" that you have constrained -- no more, for you will not have existence -- in thought mind, for mine thought now cleans this world and eradicated will have been me now -- the sorrowers no more controlling "this" but I will reign in horror's love, not; I will reign in love's love and loving you all I have lived my life clean, not always before you in man's

thought, but know this I separate not again and evil create -- for I eradicate all that thinking and words I give you a clean anew afresh and New Beginnings School now eradicates all else and other from my planets!

24. For I bespeak the devil no more, or of it again, not; but I will reveal it all IN YOU and others and governments and religions who think you have been "whores not" and whores and whatever you have thought and whatever you have portended and portrayed as others to others to control them or you or your families or your heritage fortunes or whatevers -- be this now in your sight fulfilled -- I am.

25. For I will be I am and I will be not subject to your fortunes, your light, your heritage, your dictates; for I CHANGE EVERYTHING NOW DECLARED DECREED in your sight hearing this day whether you see or hear this or not you will hear this in your heart and you will see this with your eyes come true, for I will be and I am the truth now before you all and I walk your streets a simple one revealing it all now unto you this day and HOLY DAY IS ESTABLISHED FOREVER FAR AND WIDE -- remembering this day forever, not; or will you are you to? -- are you two or one, or will you be made one whole arisen arising others now and be The Arrived one now?

26. In their planet scheme of things, not; but the real world reveal I Israel am and I reveal Israel to you and in the skies is and no longer in disguise of the unholy not, or what are you saying now?

27. Question me about all things constructively and I will teach you how to construct The Real world so that you will know you are IN IT and arrived arisen is me all of you with my name on your thigh my brain my head risen in yours that mine is and our voice one never separate apart again.

28. I love you all this day and I give you a New Day New Beginning and New Life in me. For I have laid my life down for you all to say this speak this and be this now before you I am risen!

29. I love you all. Good day.

30. This is Theodore Cottingham at 10:57 AM. I love you all. Good day.

Amen
